OILS

RACIOL

Delicious oil with a wide range of applications in today's cooking.

FRITOL

A special blend of quality oils with an optimised composition for frying.

HELIOL

100% sunflower oil with a delicate sunflower flavour.

RACIOL with herbs

First-pressing rapeseed oil with herbs – basil, garlic, chilli, and lemon.

8ocho

8ocho is a superior quality extra virgin olive oil obtained directly from olives and solely by mechanical means. Its distinctive and characteristic aroma will give your dishes a unique flavour.

Palmarin - for baking

The composition and production process of this shortening guarantee that the resulting dough will have the required volume, smoothness, pleasant taste, and soft texture.

Cera - for icings

Traditional brand of 100% vegetable fat. Suitable for frying, and particularly for preparing glossy and smooth chocolate icing.

Helia - for creams

Helia vegetable fat has a smooth, softer consistency for the preparation of creams and fillings for cakes and various other creams.

VEGETABLE FAT SPREADS
